RE: Request for payment from County Drug Abuse Treatment and Education Fund

The Appalachian Judicial Circuit court officials have determined there is a need to organize and operate a combination Pre-Trial and county probation program. See attached exhibits. The program is specifically designed to supervise criminal defendants who are in need of treatment and education for drug abuse problems and to supervise probationers who cannot be supervised by state paid probation officers. Prior to the implementation of this program, these probationers were supervised by private companies and probation fees were paid to the company. Effective July 1, 1998, all fees collected from these probationers will be utilized to help fund this program along with funds from the County Drug Abuse Treatment and Education Fund established in each county.

The initial start up funds in the amount of \$10,000.00 will be taken from the County Drug Abuse Treatment and Education Fund in each county. Please make the check payable to the **APPALACHIAN JUDICIAL CIRCUIT PRE-TRIAL AND PROBATION PROGRAM** and forward the check to the following listed address:

Pickens County Commissioner's Office
Attention: Lori Fleming
Pickens County Courthouse Annex
Jasper, Georgia 30143

Pickens County has agreed to be the paying county for this program and will set up separate banking accounts for this program. The funds will be audited each year and a copy of the audit will be provided to each county and to the Chief Judge of the Appalachian Judicial Circuit.

Approved for payment in compliance with the Resolution to establish and administer this fund.

Hon. Bobby C. Milam, Chief Judge
Appalachian Judicial Circuit

Hon. Brenda S. Weaver, Superior Court Judge
